

Guidelines for PSC of Certificate in First Aid Programme (CFAID)

The Certificate in First Aid programme aims at developing knowledge and skills about first aid to enable the learners to provide first aid in various emergency situations. The programme is open to a varied target group with minimum qualification of 10th pass with a view to generate first aid providers who can attain jobs in various areas e.g. Nursing homes (as assistants/Aides), Drivers/ Conductors, Fire Marshals/Fire Stations, Traffic Police/Army personnel's, Sports and Physical Education, Teachers etc.

The programme will benefit those who wish to pursue careers in which first aid training and certification is necessary for recruitment like assistants and aides working in Nursing homes, mobile Ambulances, industries, construction sites, schools, sports or water sport coaches, Drivers, Conductors, Fire Marshals, Traffic Police, Army personnel's, teachers in schools, flight cabin crew members and air-hostesses etc and for those whose organizations have made it mandatory for their workers to undergo first aid training.

Programme Objectives

The objectives of the programme are to:

- Develop knowledge and skills about first aid.
- Enable the learners to recognize the symptoms/conditions which require first aid.
- Develop the ability of dealing with emergency situations.
- Enable the learners to provide first aid in various situations and settings
